WAH NOBEL CHEMICALS LTD
DIRECTORS' REPORT TO THE SHAREHOLDERS

The Directors are pleased to present their Report and the Un-audited accounts of your company for the nine months ended March 31, 2015.

During the period under review the company has been able to achieve gross sale revenue of Rs.1084.100 million during the period under review vis-à-vis Rs.1172.004 million and earned a pre-tax profit of Rs.16.714 million as against profit of Rs.86.981 million during the corresponding period of the previous year.

The excessive supply of formaldehyde and resin over its demand in the Chipboard industry in Pakistan and the tough competition in the market made it difficult to pass on increase in cost of the products fully to the customers. The constraint for not increasing the selling prices of our products, has eroded the profit margin during the period under review as compared to the corresponding period of the last period. However the management of the company is putting its best efforts to achieve better financial results in the last quarter of financial year 2014-15.

As regards Vend fee and permit fee case, Sindh High Court has already pronounced favorable judgment. Presently the case is pending with the learned Supreme Court of Pakistan. In view of the merits of the case and favorable decision of the Sindh High Court, the management is expecting a favorable decision from the apex court and is making efforts to continue as a going concern.

The Directors wish to place on record their deep appreciation for the hard work, loyalty and devotion to duty by all the employees of the company at all levels and thanks all its customers for their continued patronage and support.

On behalf of the Board

Wah Cantt.
