WAH NOBEL CHEMICALS LTD

DIRECTORS' REPORT TO THE SHAREHOLDERS

The Directors of the company present their Report along with Condensed Interim Financial Information of the company, duly reviewed by the Auditors, for the first half year ended December 2014.

During the period under review the company has been able to achieve gross sale revenue of Rs.706.329 million during the period under review vis-à-vis Rs.736.023 million and earned a pre-tax profit of Rs.4.851 million as against profit of Rs.50.270 million during the corresponding period of the previous year.

Due to excessive supply of formaldehyde and resin over its demand in the Chipboard industry sector in Pakistan, the tough competition in the market made it difficult to pass on increase in cost of the products fully to the customers. Therefore, the management of the company is putting more emphasis on maximizing the sale volume in order to maintain the profitability

The company has a positive outlook and will continue its best efforts to ensure continued growth, operational efficiency and optimum results for the company and its stakeholders in the second half of the financial year 2015.

As regards Vend fee and permit fee case, Sindh High Court has already pronounced favorable judgment. Presently the case is pending with the learned Supreme Court of Pakistan. In view of the merits of the case and favorable decision of the Sindh High Court, the management is expecting a favorable decision from the apex court and is making necessary efforts to continue as a going concern.

The Directors wish to place on record their deep appreciation for the hard work, loyalty and devotion to duty by all the employees of the company at all levels and thanks all its customers for their continued patronage and support.

On behalf of the Board

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying condensed interim balance sheet of **Wah Nobel Chemicals Limited** (the Company) as at **December 31, 2014** and the related condensed interim profit and loss account, condensed interim cash flow statement and condensed interim statement of changes in equity together with the notes forming part thereof (here-in-after referred to as "condensed interim financial information"), for the six-months then ended. Management is responsible for the preparation and fair presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures of the condensed interim profit and loss account for the quarter ended December 31, 2014 have not been reviewed, as we are required to review the cumulative figures only for the half year ended December 31, 2014.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with the approved accounting standards as applicable in Pakistan for condensed interim reporting.

Emphasis of matter

We draw attention to note 8.1 to the condensed interim financial information. The company is defendant in a law suit alleging non-payment of vend and

permit fee of Rs. 861 million on methanol to the Excise and Taxation Department, Government of Sindh. The ultimate outcome of matter cannot be determined presently and therefore no provision for any liability that may result has been made in the condensed interim financial information. In the event of an unfavorable outcome, there is a substantial doubt that the Company will be able to continue as a going concern. Our conclusion is not qualified on this matter.
