Wah Cantt. Dated 27-02-2018

WAH NOBEL CHEMICALS LIMITED
NOTES TO THE CONDENSED INTERIM
FINANCIAL INFORMATION (UN-AUDITED)
FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2017

1. THE COMPANY AND ITS OPERATIONS

Wah Nobel Chemicals Limited (the Company) was incorporated in Pakistan on May 31, 1983 as a public limited company under the Companies Act, 1913, (now the Companies Act, 2017) and its shares are quoted on Pakistan Stock Exchange. The holding company of the Company is Wah Nobel (Private) Limited and the ultimate holding company is Wah Industries Limited. The registered office and manufacturing facilities of the Company are situated in Wah Cantt, Pakistan. The principal activity of the Company is to manufacture Urea Formaldehyde Moulding Compound, Formaldehyde and Formaldehyde based liquid resins for use as bonding agent in the chip board, plywood and flush door manufacturing industries.

2. STATEMENT OF COMPLIANCE

- 2.1 The Companies Act, 2017 (the Act) was enacted on May 30, 2017, which replaced and repealed the Companies Ordinance, 1984. However, the Securities and Exchange Commission of Pakistan (SECP) through its circular no. 23 of 2017 dated October 4, 2017 has clarified that the companies whose financial year, including interim period, closes on or before December 31, 2017 shall prepare their financial statements, including interim financial information, in accordance with the provisions of the repealed Companies Ordinance, 1984. Accordingly, this condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting which comprise of the International Accounting Standard 34 Interim Financial Reporting and provisions of and the directives issued under the repealed Companies Ordinance, 1984. In case requirements differ, the provisions of or directives issued under the repealed Companies Ordinance, 1984 shall prevail.
- 2.2 This condensed interim financial information should be read in conjunction with the Company's last annual financial statements as at and for the year ended June 30, 2017 ('last annual financial statements'). This condensed interim financial information does not include all of the information required for a complete set of financial statements prepared in accordance with the approved accounting standards as applicable in Pakistan. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Company's financial position and performance since the last annual financial statements.
- 2.3 The condensed interim financial information is un-audited and is prepared for submission to the members and the Pakistan Stock Exchange as required under section 237 of the Companies Act, 2017.

3. USE OF JUDGMENTS AND ESTIMATES

In preparing this condensed interim financial information, management has made judgments, estimates and assumptions that affect the application of Company's accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

The significant judgments made by management in applying the Company's accounting policies and the key source of estimation uncertainty were the same as those that applied to the financial statements as at and for the year ended June 30, 2017. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair value, both for financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. Management has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values. Management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of the approved accounting standards as applicable in Pakistan, including the level in the fair value hierarchy in which the

WAH NOBEL CHEMICALS LIMITED
NOTES TO THE CONDENSED INTERIM
FINANCIAL INFORMATION (UN-AUDITED)
FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2017

valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability might be categorised in different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

4. CHANGES IN ACCOUNTING STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS

A number of new standards and amendments to the standards are effective for the annual periods beginning after July 01, 2017. Management believes that adoption of these new standards and amendments will not have any significant impact on the Company's condensed interim financial information.

As stated in note 2.1, the Companies Act, 2017 was enacted on May 30, 2017 which replaced and repealed the Companies Ordinance, 1984 and will be applicable for financial year ending after December 31, 2017. The Act requires certain additional disclosures and changes for certain accounting treatments and enhanced disclosures in the financial statements. Currently, the Company is assessing the impact of these requirements on the financial statements.

5. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of this condensed interim financial information are the same as those applied in the Company's financial statements as at and for the year ended June 30, 2017.

6. PROPERTY, PLANT AND EQUIPMENT

During the six months period ended December 31, 2017, the Company made additions to property, plant and equipment aggregating Rs. 5,692 thousand (December 31, 2016: Rs. 1,217 thousand) inclusive of additions to capital work in progress. Property, plant and equipment with carrying amounts of Rs.15 thousands were disposed off during the six months period ended December 31, 2017 (December 31, 2016: nil) resulting in a gain on disposal of Rs.465 thousand (December 31, 2016: Rs. nil).

(b) Litigation

In 1996, the Government of Sindh raised a demand of Rs. 67,294,724 in respect of vend fee and permit fee for the years 1990-91 to 1995-96, under the Sindh Abkari Act, 1878. The Company filed Constitutional Petition No. D-1412 of 1996 dated August 20, 1996 in the High Court of Sindh challenging the legality of the levy on the grounds that provincial taxation, under the Sindh Abkari Act, 1878 on imported Methanol temporarily stored in Karachi but meant for consumption outside the province of Sindh, was unlawful and ultravires of the Constitution, relying on the judgment of the High Court of Sindh in the case of Crescent Board Limited. The case was decided in the favour of the Company on June 12, 2001 by the High Court, but Sindh Government moved an appeal in the Supreme Court against the decision of the High Court.

After hearing the appeal of Excise Department Sindh against the Company and other Formaldehyde manufacturers, the Supreme Court remanded the case of levy of vend fee and permit fee to the High Court Sindh for adjudication on all points of law and fact. Vide its judgment dated March 26, 2003, High Court Sindh again decided the matter in favour of the Company and other manufacturers. Excise Department filed a leave to appeal in the Supreme Court on June 12, 2003. The Court has admitted the appeal for regular hearing. The case is now awaiting adjudication by the Supreme Court.

Currently all imports of Methanol are being released on payment of Rs. 3/- per bulk gallon in cash and submission of guarantee @ Rs. 14/- per bulk gallon in the form of indemnity bonds. Accordingly, in case of an unfavorable decision of the Supreme Court, the Company is exposed to an aggregate obligation of Rs. 1,017 million (30 June 2017 : Rs. 986 million) on account of vend fee and permit fee based on the guarantees issued against methanol imported and released up to the balance sheet date. However, keeping in view the facts, previous decisions which have been in the favour of the Company and on advise of the legal advisor of the company the management is confident that no such exposure will arise to the Company, therefore, no provision for this has been made in these condensed interim financial information.

Other than litigations as disclosed above, there are no significant changes in the status of litigations as disclosed in the last annual financial statements.
