WAH NOBEL CHEMICALS LIMITED
DIRECTORS REPORT TO THE SHAREHOLDERS

The Directors are pleased to present their report and the un-audited accounts of your Company for the 1st quarter ended September 30, 2013.

The company has been able to achieve net sales revenue of Rs.281.605 million during the first quarter of the current financial year as against Rs.253.774 million during the corresponding period of the last year; and earned pre-tax profit of Rs.22.288 million as compared to Rs.33.727 million during the previous year. The after-tax profit for the period ended 30th September, 2013 is Rs.14.316 million as against Rs.21.174 million during the previous year. The comparatively lesser profit during the current period under review is the result of unprecedented price hike in the cost of inputs and other incidental charges which increased the cost of all the products of the company and depressed its profit margin.

As regard Vend fee and Permit fee, presently the case is pending with the learned Supreme Court of Pakistan. In view of the merits of the case and previous favourable decision by the Sindh High Court, the management is expecting a favourable decision from the apex court and is making necessary efforts to continue as a going concern.

The management of the company looks forward to the future with confidence and envisages better performance in the next quarters.

The Directors wish to express their appreciation of the strenuous efforts and hard work of the management, officers, staff and workers and are confident that they will continue to make concerted efforts for the growth of the company.

On behalf of the Board
