GENERAL TERMS/CONDITIONS

M/s _____ as carriage contractor undertake that:

1. The rate running carriage contract will remain operative from **01-07-2025 to 30-06-2027**. It may be extended to any period on the same rates, terms and conditions or terminated during currency of the contract by mutual consent of both the parties subject to approval of competent authority.
2. The carriage contractor will be bound to provide demanded trucks when required by logistics/marketing departments at WNCL Plant, Wah Cantt.
3. Transporter will be responsible for the safe delivery of material. Cost of goods found short or contaminated or loss due to accident or for any reason will be recovered from their bills/security deposit. The contaminated material, being a special item, will be retained by the Company and disposed off as and when and in the manner deemed necessary and cost of disposal shall also be recovered from transporter. Transporter shall have no claim whatsoever regarding the said contaminated material.

WAH NOBEL GROUP OF COMPANIES (LOGISTICS)

4. After delivery of the materials in safe and sound condition at destination, the payment shall be made through crossed cheque to the transporter on presentation of invoice, bill, & receipted D.O's under a covering letter.
5. The carriage contractor shall ensure that each hired truck carries maximum load to its capacity keeping in view weight, volume and shape of the consignment.
6. In case of any accident or defect caused to the hired truck en-route, the transporter will be responsible to replace such truck without any loss of time and at their own cost and no extra payment shall be allowed.
7. The carriage contractor will ensure to provide road-worthy transport to demanding concerned department and the latter will confirm that the transport provided is in road-worthy condition absolutely and meeting their requirement.
8. In case the transporter fails to provide the demanded trucks in time, a fine @ 5% of quoted rates per vehicle will be imposed, which will be deducted from the carriage contractor's bill.
9. In the event of any dispute arising out of the terms of this contract/agreement, the matter will be referred to arbitration. The Chief Executive (Wah Nobel) of the company will be the sole arbitrator and his decision shall be final and binding on us.
10. In case the transporter fails to provide the trucks etc on demand or tries to back out of his contractual obligations or does not take interest in the contract or violates the terms and conditions of the contract or as provided in this quotation, the contract will be cancelled and the work for the remaining period will be got done at the risk and cost of the transporter.
11. The carriage contractor shall not employ any person of doubtful character or with record of previous conviction or considered undesirable from safety/security point of view.
12. The carriage contractor will be required to notify in writing to the accepting Officer any change in the constitution of the entity or any change of address thereof. The accepting officer may not accept the new party or any change thereof; and in this case the owner, director or partners of entity will remain responsible for the execution of this contract for all intents and purposes.
13. The carriage contractor does hereby agree to abide by and fulfill all terms and conditions of the carriage contract/quotation and agrees to pay to Wah Nobel compensation as assessed by the accepting officer for any breach of the agreement. It may include termination of contract without notice and forfeiture of Security Money or fine or both.
14. The carriage contractor will provide mechanically fit and better quality trucks and not extremely poor and of old vintage duly possessing necessary auxiliary requirement viz: tarpaulin, Jack, Spare Wheels etc. The drivers will carry their requisite documents i.e. Original Registration, Driving Licence and CNIC etc during the Journey and while entering the Factories.
